

# Cookie Policy for

<https://whitegate.io> (WHITEGATE PRO LTD)

## Cookie Policy

**WHITEGATE PRO LTD** ("Company", "we", "us", or "our") uses cookies on its website <https://whitegate.io> ("Site"). By using the Site, you consent to the use of cookies in accordance with this Cookie Policy.

### 1. Introduction

To enhance your experience on our Site and provide you with tailored services, we use cookies and similar tracking technologies. This Cookie Policy outlines how and why we use these technologies and the choices you have.

Cookies are small, often encrypted text files that are stored on your device when you visit a website. They help websites remember your actions and preferences (such as login details or language) so you don't have to re-enter them each time you visit. Some cookies are session-based and are deleted once you close your browser. Others are persistent and remain stored on your device until they expire or are manually deleted.

We use cookies only based on your explicit consent. If you continue to browse the Site, you are agreeing to our use of cookies as described herein.

Most browsers automatically accept cookies, but you can modify your browser settings to decline cookies if you prefer. However, disabling cookies may affect your ability to use certain features on the Site.

We use both first-party cookies (set by us) and third-party cookies (set by third-party services) to optimize our platform, improve analytics, and provide a more personalized user experience.

### 2. Types of Cookies We Use

Cookies on our Site fall into the following categories:

**(a) Essential Cookies:** These cookies are required for the Site to function correctly. They enable core functionalities such as page navigation, secure areas, and account authentication.

**(b) Analytical/Performance Cookies:** These cookies collect information about how users interact with our Site. We use tools like Google Analytics to assess page visits, time spent on pages, and traffic sources, allowing us to improve website performance.

**(c) Functionality Cookies:** These cookies remember your choices (such as language preferences or login credentials) to provide you with enhanced and more personalized features.

**(d) Targeting/Advertising Cookies:** These cookies are used to deliver advertising that is more relevant to your interests. They can also limit the number of times you see an ad and help measure the effectiveness of advertising campaigns.

### **3. Security and External Links**

The cookies we use are safe and do not compromise your security. In many cases, they are essential to protect your data and facilitate secure sessions.

If you navigate to third-party websites via links on our Site, please note that they have their own privacy and cookie policies. WHITEGATE PRO LTD is not responsible for the content or privacy practices of external websites.

### **4. Managing Cookies**

Most web browsers automatically accept cookies by default. However, you can usually modify your browser settings to block, delete, or restrict cookies if you prefer. Each browser has its own process for managing cookie preferences, which you can find in the browser's help or settings section.

Please note that disabling or blocking cookies may affect your experience on our Site and limit the functionality of certain features.

### **5. Personal Data and Privacy**

In certain instances, the use of cookies may involve the collection and processing of personal data, such as your IP address or browsing behavior, which can be used to identify you directly or indirectly. Any processing of personal data through cookies is conducted strictly in accordance with our Privacy Policy. This Policy outlines in detail the types of personal data we collect, the purposes for which we use it, how we safeguard your information, and your rights regarding your personal data. We are committed to ensuring that any personal data processed via cookies is handled transparently, securely, and in full compliance with applicable data protection laws and regulations.

## **6. Revoking Consent**

You may revoke your cookie consent at any time by deleting the cookies stored on your device or changing your browser settings. If consent is withdrawn, we will stop using the affected cookie types to collect further information, though data already collected may still be used in accordance with our Privacy Policy.

## **7. Changes to This Cookie Policy**

We may update this Cookie Policy from time to time to reflect changes in law, technology, or our services. Any updates will be published on this page with the revised "Last Updated" date below.

We recommend reviewing this Cookie Policy periodically to stay informed of how we use cookies.

**Last updated:** May 27, 2025
